Boy, is it! However you interpret this life, we want to see it! It could be so beyond comprehension that IHMC couldn't explain it, or so plainly obvious that everyone understands. We want it all! Go for it in any media. Let that dream state take over your art.

Juror: Patricia Reppenhagen is a Visual Arts Professor at Pensacola State College and has taught Graphic Design, Portfolio, Two Dimensional Design and Humanities Art classes. She holds a Master of Fine Arts degree in Painting from Portland State University in Oregon and completed her undergraduate work at Wayne State University in Detroit, MI. Her sabbatical work includes research and study of Paris art museums and Renaissance art in Italy. She previously held graphic design positions including Advertising Art Director for the Business Journal in Portland OR.

100% of all entry fees goes toward gallery improvements and artistic and educational programs.

Support from artists like you make the difference in the quality and impact of Artel's exhibitions and programs.
