

## ***Volunteering at Artel Gallery***

Thanks for your interest in volunteering at Artel Gallery!

Our most important need is gallery sitters. Artel is open Tuesday through Saturday from 10 – 4. Shifts are from 10 – 1 or 1 – 4. We require a minimum three-hour commitment per month, although you are welcome to do more if convenient for you.

You are not obligated to take the same shift or day each month. For example, you may sit on Tuesday morning one month and on Thursday afternoon the next, as long as you fulfill your three hours per month. We prefer that you sign up for your next shift each time you sit or you may sign up in advance for several weeks or months.

Gallery sitting requires a 20-minute training which is usually done at the beginning of your first shift. You then would remain to finish your shift. However, training can also be done on a day prior to your first shift. Someone is always available by phone if you need assistance.

By volunteering you may earn credits toward free memberships or entry fees.

We also need occasional help with receptions, drop off weekends and special events.

To schedule training for gallery sitting, please call Suzanne at 791-8070.
